I Am the Streaming Water Encountering a Lowing Wind.

I am wind traveling above the streaming water.

I am streaming water encountering the wind.

I am being scattered and I am diminishing, declining, and receding.

I Am a King, Holding a Feast for the Lord and Setting Up a Temple.

When I am enjoying something, then I am relaxing, and my cares and worries are being cast off, scattered, and are diminishing. When these cares and worries are being thrown off into a distant location, then the cause of this detachment is arising from the center.

Likewise, when these cares and worries are being brought back into a logical arrangement, into a sequence, and are being brought back under command, then the cause of this ordering is also arising from the center.

The mastery of the center is the meaning of both symbols that compose the Sign of Being Spread Outward.

Metaphorically, the center is symbolized by the heart of a body. When I am enjoying something, the cares of my heart are being thrown off, and are moving away from me. Those cares that have been cast away, can also be gathered up again by bringing in and aligning my human heart.

When I am experiencing joy, and when I am without care, caution, or concern, then I am at risk of experiencing harm. When everyone is experiencing joy, and when everyone is experiencing a declining amount of caution, care, and concern, then the entire world is at risk of experiencing harm. In the moment when the cares of the entire world have been thrown away, I am a king bringing in and aligning everyone's hearts.

I am acquiring centrality, and I am not excessively little or excessively much. I am able to make decisions, without being destructive in my decisiveness. This is the way that I am rescuing myself and others from the moment when our enjoyment has thrown away and diminished the cares of our human heart. That is all. Nothing else needs to be done and there is no other way.

57 Inside, I am Deciphering and filtering the wisdom of Heaven's leading impulse

Outside, I am Extending enlightenment of Earth's heavenly yield

Isaiah 11

The Ideal Davidic King

1
But a shoot shall sprout from the stump of Jesse,
and from his roots a bud shall blossom.
2
The spirit of the Lord shall rest upon him:
a spirit of wisdom and of understanding,
A spirit of counsel and of strength,
a spirit of knowledge and of fear of the Lord,
3
and his delight shall be the fear of the Lord.

Being Spread Outward Follows After Enjoying a New Place.

In the Procedure of Heaven:

Those who **are Enjoying** some place,
Those who are taking pleasure in,
Those who are experiencing the use and benefit of,
Some place, including some:
- Position, rank, status,
- City, state, area designated for a specific purpose,
- Space occupied by a person or thing,
- Home, residence, order, or arrangement

Are also Relaxing:
- Are becoming less stiff,
- Are becoming less formal,
- Are becoming less in accord with the rules,
- Are becoming less precise,
- Are becoming more flexible,
- Are becoming more adaptive,
- Are becoming more variable.

Those who **are Enjoying** the place they are occupying
Are also Relaxing because
The essence of their life:
- The capacity for their growth,
- The capacity for their continual change,

The metaphorical fabrics or cloths of their life:
- The actions of the individuals,
- The manners of the individuals, and
- The existence of the individuals

Are Loosening Up
- Are not tightly held,
- Are not fixed,
- Are not exact, and
- Are not certain.

Metaphorically, those who **are Enjoying** some place
Are enjoying themselves freely,
Are morally lax, and
Are uncertain.

If those were **not Enjoying** the place they are occupying:
Then, those who are worrying:
- Those who are giving Way to anxiety;
- Those who are being disturbed;
- Those who are being troubled;
- Those who are being harassed

Are also calling upon, calling together, and Gathering together resources, courage, and spirits;
Are also uniting closely to become a central point of the problem;
Are also, metaphorically, **tightening** into the **knot of a tree** **from which a branch will grow**.

Those who are **not Enjoying** the place they are occupying
- **Are** also **calling upon**, calling together,
- Are also **Gathering** Together, and
- Are also **uniting** closely

Because the **essence** of their life:
- The capacity for their growth,
- The capacity for their continual change,

The metaphorical **fabrics** or cloths of their life:
- The actions of the individuals,
- The manners of the individuals, and
- The **existence** of the individuals

Are Gathering Together,
- Are **folding and wrinkling**,
- Are calling upon, **calling together**, and **Gathering Together** resources, **courage**, and **spirits**.

Those who **are Enjoying** some place:
- Some position, rank, status,
- Some city, state, area designated for a specific purpose,
- Some home, residence, order, or arrangement

Are Relaxing in this place; and
Are Dispersing from, or causing a Dispersion from, a center:
- Are spreading out,
- Are going out,
- Are sending out, and
- Are Scattering Out widely.

Consequently, in the Procedure of Heaven,
The Sign of Being Spread Outward follows after the Sign of Enjoying a New Place.
